To Whom It May Concern,

ANR is a Wireless Internet Service Provider (WISP), serving both Valencia and Socorro counties in the State of New Mexico. I have been asked, as the Sales Manager for ANR, to certify that ANR has current customers in or near Census Blocks listed in the form 505.

I certify that ANR's has customers in each of those Census Blocks listed in form 505 and that both High Speed Internet (with download speeds of up to 20Mbps, latency of only 15 to 20 ms, unlimited usage allowance) as well as telephone service (voip) are either provided or available to these customers.

The qualifying plan is \$52.95 for High Speed Internet Access and the qualifying Phone plan is \$24.95.

Census blocks verified:
